This is a request under the Freedom of Information Act. I hereby request the following records:

Any and all records concerning investigations of former Assistant U.S. Attorney for Montana, James Seykora, conducted by the Office of Professional Responsibility.

Further, I request that this document be sent in any digital formats in which it exists (such as PDF, Microsoft Word, or other text file, and/or Excel). Under the terms of the E-FOIA Amendments of 1996, Section 5, if a document exists in electronic format, it must be released in that format upon request.

If you determine something is exempt from public disclosure, please redact those portions and disclose the rest, noting the specific portion of the law on which you rely.

As I am submitting this request as part of newsgathering for The Intercept, I assert that I am appropriately categorized as a media requester for the purpose of fees. As I believe this request concerns a matter of intense public interest, I furthermore request that all fees in fulfilling this request be waived. In the event that there are fees, I would be grateful if you would inform me of the total charges in advance of fulfilling my request.

Thank you in advance for your anticipated cooperation in this matter. I look forward to receiving your response to this request within 20 business days, as the statute requires.
